

# GETTING INVOLVED

## WHAT IS THE PROJECT?

The Town of Meeker is undergoing a housing assessment to identify community housing concerns, offer strategies to address housing needs, and provide a plan for confronting pressing housing issues. The Town is seeking resident feedback on housing initiatives including workforce housing, senior housing, and attainable housing to guide future housing practices in Meeker.

## HOW CAN I PARTICIPATE?

The provided timeline outlines the major project milestones and targeted community engagement activities for the housing assessment. Events and activities will be posted to the Town's social media and project website. A community survey is now live and will remain open until the end of August.
